On August 22nd, Krista met with the Town to discuss LSD cards. The town is not sure what is happening after January 1<sup>st</sup> after the amalgamation. Krista suggested that on November 15th, we can provide the town with a list of registered players and the town can let us know who is responsible for paying the LSD fees. Currently, they suggested only those in the Debec area may need to pay. On January 15th, a new list will be resubmitted to account for late registrations.

Krista asked about the renewal date for the cards and recommended June 1<sup>st</sup> as a proposed date. Kelly will submit for recommendation to revise the renewal date.

Krista also asked about the possibility of a reduced Early Ice rate, but there will not be any discount this year.
